## May 2019 Directors Report

For the month of May the election tasks and preparation for the big day are being done.

Precinct official trainings are still happening, and machine predefining completed. All the documents of the precinct registries are done with the great help from the staff.

The early walk in election days went well and the extra staff was great help to all of us.

The election went well, and now we are documenting the challenged ballots and all the voter registrations are being entered for the registration statistics for the monthly reports.

Waiting to start the set up of the Runoff election which will begin the third week of June.
